Reservation Guarantee

Land's End requires collection of a deposit at the time a reservation is made. This deposit will be equivalent to 2 night's charges, including tax. If reservation is for 1 night only, then the deposit will be 1 night's charge, including tax. Guest must be 21 years of age to register for a Lodge or Lodge Beachfront Room.

Cancellation Policy

A reservation must be cancelled by phone, email, or in person at a minimum of 48 hours prior to 4:00 PM on the arrival date to qualify for a full deposit refund. Any confirmed reservation dates occurring within 48 hours of the cancellation request will be charged in full. If we are able to resell the cancelled dates that occur within 48 hours, we will refund the charges. Land's End is not responsible for weather conditions, personal emergencies, or schedule changes that result in reservation changes.

Early Departure Policy

If a guest requests to depart earlier than their scheduled departure date, any confirmed reservation dates occurring within the standard 48 hours of cancellation request will be charged in full.

No-Show Policy

If a reservation is confirmed but the guest does not arrive as scheduled, the reservation turns into a "No-Show". When this happens, the initial deposit will be retained. Any additional nights on the reservation will be cancelled.

Party Policy

Lodges have a strict NO PARTY policy. No more than 10 people are allowed in any lodge at any time for any reason. If evidence of more than 10 people is discovered, you will be evicted immediately and without refund. Like a hotel room, your occupancy is subject to Land's End policies, and state and federal laws. Upon reasonable suspicion that a registered guest is

violating any of these, we have the right to demand -and enforce- corrective actions up to and including your eviction from the premises without refund.

Smoking Policy

The Smokefree Alaska Law (AS 18.35.300 – 18.35.399) is a state law that prohibits smoking and vaping in workplaces and public places, protecting the health of all Alaska workers, residents and visitors. Smoking and vaping devices include e-cigarettes, vape pens/personal vaporizers and e-hookah, whether or not the device contains nicotine. Land's End and its buildings, rooms, and decks/porches/balconies are 100% smoke free. The definition of smoking in the Smokefree Alaska Law includes marijuana smoking. Land's End does not permit the smoking of tobacco, marijuana, illegal drugs, e-cigarettes, vape pens, etc. Under the Smokefree Alaska Law, smoking and vaping is not allowed within 20 feet of an entrance, open window, or heating or ventilation system air intake vent. Smoking is only permitted outside and at least 20 feet from any doors or windows. If there is evidence of smoking of any kind, in your room or on the deck/porch/balcony, there will be a non-refundable charge of \$500.00 plus tax.

Cooking & Eating in Your Lodge

The safety of our guests, staff, and this facility is extremely important to us. As stated on the Land's End Lodges Guest Registration and Occupancy Agreement signed at check in, it is against our policy to have any cooking appliances in the Lodges or on the decks/porches/balconies, besides that which are provided. Grills are expressly prohibited from being used on any deck/porch/balcony. Any guest violating with this policy may be charged a non-refundable fee of \$500.00 plus tax.

Please load all dirty dishes into the dishwasher and start the machine before checking out. If you do not, you may be charged a \$35.00 fee plus tax.

Beach

Driving on the beach in front of the hotel or Lodges is strictly prohibited. Camping and the use of tents is also strictly prohibited.

Bon Fire Policy

Fires are not allowed on the beach in front of the hotel or the restaurant. This is due to the extremely dry and hazardous conditions around the property, but also due to the high volume of complaints received when smoke permeates guest rooms. Burning driftwood is not permitted in the city of Homer. Small fires which do not interfere with other guests, and are smaller than 3 feet in height, width, and length, are permitted on city property north of Land's End. However, we request that your fire be at least 50 feet from any building, stairs, or structure, below the high tide line, monitored continuously, and thoroughly extinguished. Fires and large gatherings on the beach will be restricted after 11:00 PM. If we receive any complaints due to a fire, we will require it to be extinguished immediately.

Housekeeping

Daily Housekeeping Stay-over Services are not provided in the Lodges or Lodge Beachfront Rooms. Linens, paper goods, soaps, detergents, and amenities are available from the Front Desk upon request. If a guest wishes to have stay-over service while occupying a Lodge or

Lodge Beachfront Room, it is available upon request in advance, at a daily rate of \$35.00/hour plus tax, with a minimum 1-hour charge. Any 1-night reservations made in a Lodge between the months of May-September are subject to a Housekeeping charge of \$50.00, plus tax.

Lodge Cleaning

Guests are expected to wash, dry, and restock their own dishes, clean counter tops, refrigerator, and other appliances before check-out. If furniture is rearranged during your stay, it must be returned to its original position. Labor to: wash dishes, preform extraordinary cleaning such as shampooing furniture or carpet, or remove excess amounts of garbage or other non-typical services will result in additional charges at the rate of \$35.00/hour plus tax.

Damages Policy

Damage to Lodges, the rooms, fixtures, and furnishings, including the removal of electronics, appliances, equipment, linens, artwork, etc. or any damage to lodge property, whether accidental or willful, is the responsibility of the registered guest for that Lodge. Fees will be charged to the registered guest to recover the cost of damaged, broken or missing items from Lodges or Lodge Beachfront Rooms.

Quiet Enjoyment

Our guests have right to quiet enjoyment during their stay. Enforced Quiet Hours are 11:00 PM to 7:00 AM. If you become aware of a disruptive guest or situation, please contact the Front Desk staff immediately. If you are found to be responsible for an unreasonable impact on your neighbors, you will be asked to vacate your room without a refund.

Anyone parking in an unauthorized area will be towed.

Guests occupying a 700-level unit may park no more than one vehicle in the driveway of the unit. Guests occupying a 600-level unit must park across the driveway in the area marked by the wood parking stalls. DO NOT park in front of the garages or your car will be towed. There are several signs that indicate where parking is not allowed.
