Land's End Special Events

Spectacular Waterfront Dining Private Event and Lodging Facilities

At Land's End Resort, we strive to create events that exceed expectations. We take pride in our attention to detail and our commitment to going the extra mile to help you create a beautiful, memorable experience that truly reflects your vision.

Land's End offers six unique event venues, ranging from an intimate boardroom accommodating small meetings to expansive waterfront dining and conference facilities that can host up to 225 guests in a single room.

For larger events, we recommend the Quarter Deck. This modernized space overlooks Kachemak Bay and the Kenai Mountain Range, providing an unforgettable backdrop for any special occasion. The Quarter Deck features tiered lighting controls, an exterior beachfront deck, and the flexibility to be divided into two separate rooms, Quarter Deck A and B.

For smaller or more intimate gatherings, the Captain's Quarters and Presidential Suites are ideal options. These waterfront spaces offer a private, refined setting with stunning views, perfect for executive meetings, celebrations, or private events.

The Chart Room Restaurant delivers classic oceanfront charm with panoramic views of the bay and a warm, inviting atmosphere. During the summer months, guests can enjoy our spacious beachfront deck, offering unobstructed views of Kachemak Bay. For more private meetings, the Boardroom provides a non-view, quiet space well suited for small events and business meetings.

The hotel offers a variety of accommodations, including luxury waterfront lodges featuring multiple bedrooms and full kitchens. Each room style has its own unique appeal, with most offering ocean views and exterior decks ideal for unwinding after a full day of activities.

For a memorable team-building experience, rent one of our luxury oceanfront lodges and enjoy a true home-away-from-home atmosphere. Guests may also relax and recharge in our oceanfront hot tub or enjoy access to our indoor pool and sauna.
